Coach Eastlund Muses . . .

"Records are often misleading as to the complexion of a season. I suppose with an 0 to 9 season, it might seem hard to find something positive to say, but I don't feel that's the case at all in this situation. The 1975 St. Francis football team is made up of one of the finest group of young men I have ever coached. Potentially St. Francis has the capability to produce good quality, winning football. But making potential turn into reality takes commitment and a lot of hard work. If future teams can follow in the standards set by the 1975 team in some areas, we will start the progress toward what we are potentially able to do."

--Coach Eastlund

Editor's Note: The Junior-Varsity football squad won four and lost four, while the 9th grade team managed to reap three wins and four losses during the 1975 season.

St. Francis jocks scored 18 points against Minnehaha Academy's team and only lost the game by 2 points. 3Stan Tischer, captain of the '75 football team, played both offense and defense and was elected to the All-Conference Team by the Tri-Metro coaches. 4Punter Jay Smith played hard whether injured or not and managed to score three touchdowns in the '75 season. 5The Saints offensive team had an encouraging season. 6Some Tri-Metro Conference games were played in the Minneapolis Parade Stadium--as was this one, the last of the season in which St. Francis faced Marshall-U High.

SFHS Hit By First Love

For the first time in its history, St. Francis High School had a girls tennis team. "This team had the desire to win," stated Coach Ronning, another first here at St. Francis High School. Coach Ronning felt the team would rank anywhere No. 1 in desire to win. "Inexperience was a cause of only four wins," added Coach Ronning.

Team standouts were Marlys Skogquist and Lori Carlson. Marlys played number 2 behind Lori and won the most matches for the team. She was also voted Most Valuable Player. Diane Dropps was voted Most Improved Player by a squad on which each member had improved a great deal, according to Coach Ronning. "Since Marlys and Diane are only freshmen, they both could have a tremendous future ahead of them with hardwork," enthusiastically interjected Coach Ronning. He concluded, "Our team defeated a strong Cloquet team in the Sub-sectionals, and can, and most likely will do it again, with 7 girls returning with experience."

1 Lori Carlson smiles as she serves the ball. 3 Coach Ronning tries to decide what the racket in his hand is used for while the girls on the tennis team continue the racket in the background.

SF Girls Volleyball Machines Take 17 Wins In '75 Season

"This year I have had the most outstanding individual players that the team has seen in two years of play," commented Varsity Coach Larson. She added, "The major problems were the inability of the girls to play as a team and its lack of confidence." Both Coach Larson and JV Coach Esmay like the enthusiasm and hustle of the Junior Varsity squad. "These girls worked well together, observed Coach Esmay, and further commented, "Next year I will be looking forward to seeing their talent added to the potential of the A-Squad."

Two Varsity players were cited for outstanding achievements. Diane Krause, co-captain with Kay Anderson, received All-Conference rating for the second year in a row. Myra Stroeing captured the award of Most Improved Player. The Varsity Volleyball Machine ended the season with a record of three wins and 11 losses.

JV co-captains Barb Lindemann and Cheryl Larson led the Junior Varsity team to defeat No. 1 rated team Marshall-U High. They ended the season by capturing second place in the Tri-Metro Conference.

Rock Around The Clock

CC Team Cops 7th Tri-Metro Spot

This year's cross country team, captured by Tony Davis, took 7th place in the Tri-Metro Conference, up 2 places from the previous year's 9th place standing. (There are only 9 teams in the Tri-Metro Conference!) Some of the top runners will be returning next year as juniors. Coach Trygstad, now having finished his second year coaching the St. Francis cross country team, "is building a team that the school will be proud of in the future." In fact, the St. Francis cross country program seems to be improving in general. This year the Middle School's team took second place in the Tri-Metro Conference. Two members of the girls team merited recognition on the state level. Don Seel, a senior, took 11th place in the region while Pam Ambrosch, a sophomore, took 19th. Coach Trygstad hopes to see more girls out for next year's team.

Our Dear, Mad Scientists

We (the Science Club, in case you hadn't guessed from the page title) started out the year with marshmallows (roasted over Bunson burners, of course) and para pens. Our main goal is to put on a scientific magic show for the elementary school. With all that ambition, who knows? Today St. Francis tomorrow, the world!!

Happy Birthday Speech Club!

Speech Club Enters Third Year

This year the speech program celebrates its third reinstated birthday. Eleven categories are offered for student participation including: original and non-original oration; extemp speaking and reading; serious interpretation of prose, drama, and poetry; humorous interp, storytelling; discussion; and creative expression.

The speech team made festival invitation-al trips to Duluth Central, Irondale, Bloom-ington Jefferson, and Richfield High Schools. They also attended the Tri-Metro meet at Marshall U High. The sub--region contest was held at Duluth Central, April 10, and the region at Hibbing, April 17.

Terrific team! Lots of young, new talent combined with lots of ambition, a dash of experience and good coaching promised a good season for the girls gymnastics team. New equipment and a place to practice lured the team to hard daily practices from 2:45 pm. to 4:15 pm. Only the 56 tables and 224 chairs to be moved daily presented a challenge. Award meets were a "riot"! The girls all partook in dancing to the radio and getting all excited, while Coach Lacher lost her voice telling us to rest, and relax. The win/lose record is as follows: B Squad--6 wins and 2 losses. A Squad--5 wins and 6 losses.

Novice Girls Basketball Team Takes Total Of 8 Victories

Most of the girls who came out for basketball this year didn't know anything about the rules of the game," commented Coach Haderly, "but they all learned very well and showed it. The whole group displayed a lot of team spirit and worked well together. Although St. Francis was one of three teams in the Conference with a first year team, the B squad lost several of their games by only a few points and ended the season with a record of five wins and nine losses. The Varsity girls' team, playing more experienced teams, finished the season with a record of three wins and 11 losses, ranking them in fifth place in the Tri Metro Conference. "With a basketball program initiated at the Middle School and all but two seniors, Myra Stroeing and Diane Krause, returning next year, both Coach Clarkin and I are looking forward to a successful season in girls' basketball in future years," added Coach Haderly.

Smith, Larson Lead Saints

"We had a successful season in the Tri-Metro Conference," boasted Coach [Name], who led the Saints to a record of three wins and one loss. The team's success was due to the hard work of the players, who played with great enthusiasm. "The boys played enjoyable basketball this year and were very enthusiastic," Coach [Name] said. "They faced loss," Coach [Name] added. Trygstad. Steve [Name], WCCO selected for the All-State Basketball team of the Week, led the Tri-Metro Conference in freethrows made, and was a chief reason that the St. Francis Saints copped the Conference first in freethrow percentages. Russ Coons ranked second in Assists, and along with Steve Smith, Tony Davis, Jim Larson, Andy Scardigli and Dave Hanson, all seniors, played their last year in a Saint's uniform. "Obviously, next year we will be staring over again in building the team," added Coach Trygstad.

The High Spirited 1952-53 Season

A Second Place Finish For A First-Rate Team

The Saints finished their second season in the Tri-Metro Wrestling Conference taking 2nd in the teams' standings and having a dual meet record of 8-4-0.

Some outstanding individual statistical leaders were Tim Richter with 22 takedowns and Greg Boutain with 20; Ken Ferguson with 11 reversals; Stan Fischer with 10 escapes; Tim Richter with 13 1/2 pt. near falls; Stan Fischer and Ken Ferguson with 7 1/2 pt. near falls; Greg Boutain scored 3 falls. Tim Richter led the team points with 58 while Greg Boutain had 55.

The Saints placed 4th at the Rice Lake Invitational this past season. They won their own Holiday Invitational for the 5th time in the past nine years. Placing 1st for the Saints were Tim Richter (126), Marc Starr (132), Ken Ferguson (138), and Greg Boutain (167). They also captured the Princeton Tourney, outscoring second place by 18 1/2 points.

Championship winners for the Saints were Tim Richter (119), Ken Ferguson (138), Mike Ryther (145) and Stan Fischer (180).

So what's new?

New Clubs Offer New Opportunities

Three new clubs, DECA, MUN, and OEA opened their membership to St. Francis students in the fall of '75. DECA, Distributive Education Clubs of America, is affiliated with the model store class, also a new addition to St. Francis High School. The main projects of the club and class are running the school store, Oasis, and making advertisements and learning and practicing selling techniques to prepare for competition at district and state leadership conferences held in the spring. MUN is a model United Nations. Students participating in MUN act as representatives of different countries about which they research information. In March MUN members traveled to Yankton, South Dakota, where they joined students from across the country in a mock UN session. OEA stands for Office Education Association, a branch of the Minnesota Office Education Association. The clubs activities consisted of a B-craft sale and mastering most general office practices in preparation for competition in regional, state and national contests.

Good Luck
Class of 1976'

I, as co-editor of the LANCE staff
thank Mr. Carlson and Mr. Olson
of CARLSON PHOTOGRAPHY in Cambridge
who took all
four group pictures, develop, and print them;
and Mr. Hedstrom
of the AMERICAN YEARBOOK Company.

The staff wishes the Senior
the best of luck
and a bright and happy future
as they go their separate ways.
